**IS YOUR COMPANY MISSING OUT ON THESE EMPLOYER BENEFITS AND SUPPORT SERVICES?**

As a national employer body, the **Singapore National Employers Federation** has been giving talks and clinics session for companies to help employers take advantage of, and learn about the various programs available in Singapore, in the areas of providing staff benefits, and training even when employers have NO budget for it.

**Program presented:**

- Will be Budget friendly for employers (it will excite employers with NO or Little budget),
- Help the employer address concerns of cost management and employee retention,
- Successfully tried and tested by more than 1,400 companies from different industries and employee size,
- Benefit both the employer and their staff,
- In line with the National Agenda, (eg. Workforce skills upgrading, employee benefits, workplace health etc)
- Potentially and successfully increase staff productivity & morale
- Helps position the company or organisation, as an employer who cares.

**Come find out how your organisation can take advantage of these Employer Benefits**  
**Ideal for all employers - MNCs, Foreign Companies, and SMEs are encouraged to attend**
