Why not take this opportunity to leverage on Flexi-Works! if your company is looking to recruit local part-time workers or workers on a flexible work arrangement (FWA) to address your manpower needs in this dynamic and tight labour market.

Companies can tap on the Flexi-Works! programme, launched jointly by the Ministry of Manpower (MOM) and the Singapore Workforce Development Agency (WDA); where under the programme, grants will be provided to locally based or registered companies to fund costs incurred by the company to implement part-time work and/or flexible work arrangements. You may approach our SNEF colleagues to find out more!

Singapore National Employers Federation (SNEF) and SBF in support of the Tripartite Committee on Work-Life Strategy are also proud to have invited speakers from Ministry of Manpower present you the Work-Life Excellence Award 2008. Submission for nomination closes on 31 Mar 2008.

Work-Life Strategy is what an employer does to help employees harmonise work and personal commitments. It is also a business strategy that maximises employee productivity at work and helps make organisations more competitive.
